

President's Message

It's hard to believe that June is already here and that this is my last president's message. Looking back, I'm so glad I agreed to accept this position. Being actively involved in our local chapter has given me the tremendous opportunity to meet all of you and for that I will be forever grateful. I can say, without a doubt, that the past 12 months have been an awesome experience.

Looking forward, I'm very excited for our chapter's future. We have a fantastic board slated for next year and Kerry has almost filled the committee chair positions. If you are interested in becoming more involved with our local chapter or in continuing your local chapter involvement, please contact Kerry Clark at tkclark1@cox.net.

Remember you don't have to be a board member or a committee head to be actively involved in this organization. ASWA offers so many different ways to be involved. For regional involvement, it's still not too late to register for the South Central Regional Conference in Springfield, MO on June 20th through June 22nd. For additional information on this conference, please see the attached program. On a national level, the 2007 JNC is scheduled to be held at the Coronado Springs Resort at Walt Disney World in Orlando on October 25th through October 27th. Additional information can be found at www.aswa.org.

Thank you to everyone that donated time to our organization by serving on a committee, volunteering for community service, or by attending our monthly chapter events. I especially would like to thank the outgoing board members; I'm extremely appreciative to these individuals for all of their hard work and dedication over the past year. This year could not have been a success without you.

I've really enjoyed the opportunity to serve as our chapter's president and I hope to see you all at the June recognition and awards meeting, my last meeting as president.
